

Differential Correction Checklist

Antenna

- Capable of L1/L2 observations

OxTS unit

Radio

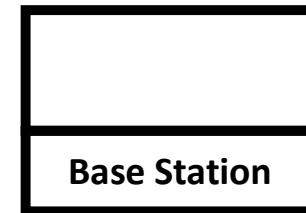

- **Correction format**
- **Correction baud rate**
- OxTS unit model capable of RTK
- Power correctly applied (12-24v pulling around 1.2 Amps)
- **Correction baud rate**
- Power correctly applied

Antenna

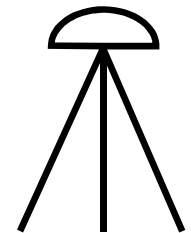

- Capable of L1/L2 observations

Radio

Base Station

- **Correction baud rate**
- Power correctly applied
- **Correction format**
- **Correction baud rate**
